(*) Students who enroll with a B2 English level must include "Advanced English" in their study plan, choosing either the C1 Test or a C1 International Certification. Students who enroll with a C1 English level, achieved during their bachelor's degree (e.g., DEB students), must include either a C1 International Certification or

the “Laboratory IEC” in their study plan. Students who hold a C1 International Certification and have not used it to earn English credits in their bachelor’s degree may use the certification for these credits or include the “Laboratory IEC” in their study plan. Students who have already used the C1 International Certification to obtain English credits must include the “Laboratory IEC” in their study plan. CSAL offers free preparatory courses for both the C1 Test and the C1 International Certification. The C1 Test is also administered by CSAL.

- (**) Students are also encouraged to apply for one of the following special programs: Global Consulting Program (GCP), Competitividad Global para PYmes (GCPYmes), Foreign Trade MBA, Campus World or Erasmus Traineeship, provided that it does not conflict with courses attendance.
