Thesis			E	21		
Year: 2 - Total Credits				60		
TOTAL CREDITS 2 YEARS				120		

(*)

Students who enroll with a B2 English level must include "Advanced English" in their study plan, and either must pass the C1 Test administered by CSAL or earn a C1 International Certification. Students who enroll with a C1 English level, achieved during their bachelor's degree (e.g., DEB students), must include either a C1 International Certification or the "Laboratory IEC" in their study plan. Students who hold a C1 International Certification and have not used it to earn English credits in their bachelor's degree may use the certification for these credits or include the "Laboratory IEC" in their study plan. Students who have already used the C1 International Certification to obtain English credits must include the "Laboratory IEC" in their study plan. CSAL offers the free preparatory course for both the C1 Test and the C1 International Certification.

(**)

Students are also encouraged to apply for one of the following special programs: Global Consulting Program (GCP), Competitividad Global para PYmes (GCPYmes), Foreign Trade MBA, Campus World or Erasmus Traineeship, provided that it does not conflict with courses attendance.

- (a) Students cannot include Business Economics or Managerial Economics or Applied Micro Lab (1st and 2nd module) as an elective in their study plan.
- (b) Students cannot include Financial Economics as an elective in their study plan.
- (c) Students cannot include Economics of Industrial Relations as an elective in their study plan.
- (d) Only if not already chosen.
