Thesis	E		21	
Total credits			60	

(*) Students who have used a B2 English Certificate to obtain language credits in their undergraduate career must put in their study plan Lab of International Markets Analysis or, as an alternative, a C1 International certification. CSAL offers free preparatory courses.
 Students who have B2 level of English at entry, but not an International Certificate, must get it before graduation. The English Language Advanced course has been tailored to prepare students for the certification exam. The credits are awarded upon presentation of the International Certificate.

(**) Students are encouraged to apply for one of the following special programs: Global Consulting Program (GCP), Competitividad Global para PYmes (GCPYmes), Foreign Trade MBA, Campus World or Erasmus Traineeship, provided that it does not conflict with courses attendance.
